Dear Valued Customer,

We are pleased to announce that FirstMile Technologies is soon to become part of the Inside Connect Cable, LLC ("Inside Connect") team. Since 2003, Inside Connect has been serving several communities around Louisville, KY, specifically located in Bullitt, Hancock, Muhlenberg, and McLean Counties.

Most of what you've grown to love about FirstMile will not be changing, including the locally run operations based out of Westfield, Indiana. The new ownership team has a solid financial foundation, experience in the industry, and the expertise to expand upon the existing product offering.

Effective on or about July 1, 2013, Inside Connect will become your provider of the telephone, internet and video services previously provided to you by First Mile at the same rates, terms, and conditions that are currently in place. If your long distance telephone services are provided by a carrier other than FirstMile, these services will not be affected by the transfer. If you have arranged for a "preferred carrier freeze" for long distance services, the freeze will remain unchanged. Inside Connect will be responsible for any carrier change charges.

Notice of any future changes to the rates, terms, and conditions of the services provided by Inside Connect will be communicated as required by law. You have the right to choose a different provider but are not required to choose, your service will automatically be provided by Inside Connect as of the date of the transfer. Inside Connect will work hard to ensure you continue to make that choice for years to come.

All existing contracts and agreements between FirstMile and its customers will be transferred and remain in effect under Inside Connect's ownership. The systems and technology that you have become accustomed to are not changing, but will likely improve in the months to come. Inside Connect is committed, as FirstMile has been, to providing excellent customer service and this will carry forward.

For all questions regarding billing, repairs, service needs or concerns or complaints prior to or during the transfer, please continue to contact FirstMile at 866-784-5561. If you have any questions about this change in ownership or for service needs following the transfer, please feel free to contact Inside Connect at 855-552-2253.

Sincerely,

Craig A. Kunkle
